

## Acquiring a Paper Copy of your FCC License

In February 2015, the FCC stopped mailing paper licenses. The following instructions will walk you through the steps of getting a paper copy.

1. Navigate to "http://wireless.fcc.gov/uls".
2. Click Log In next to Online Filing.

3. Enter your FCC Registration Number and password, and click Submit. If you do not have a password, go back to step 1 and click on Register next to New Users.

- In the left-hand navigation bar, click "Download Electronic Authorizations"

Don't See Your Licenses Here?

It's possible that your licenses have not been associated with one FRN using the License Manager, you must first re-associate your licenses with another FRN.

Re-associate Your Licenses With Another FRN

You may re-associate all or some of these licenses associated with one FRN, so by re-associating them they will be disassociated from this FRN.

NOTE: You must use this function to update...

- In the "Filter by Radio Service" box, select the license and click Add.
- In the "Duplicates Requested" box, select the license and click Download in the lower right-hand corner of the page.

but one or more components is in termination pending status, the term pending components will not be included on the authorization.
